Personal, Social, Emotional Development (PSE)	This week, we will play 'Say Something Nice' when we talk to our friends about why we like to play with them.
Physical Development (PD)	We will start our Finger Gym sessions this week. These are short targeted sessions, which focus on the physical skills needed to strengthen pencil control. We will also create a risk assessment in preparation of our library visit.
Communication & Language (CL)	Every day during registration, our Golden Values Inspector chooses a greeting from another language as we learn to say hello in a variety of ways.
Literacy (LD)	This week, we will assess and consolidate learning so far. If not already done so, please stick challenge words in note books. We also look forward to Thursday's visit to Parbold library to choose a book. Please send in any library cards ASAP.
Mathematical Development (MD)	With the help of Numberblocks, we will focus on the 3 rules of counting (give everything a number, say the numbers in the correct order and the last number is how many), number bonds to 5 and knowing the number of a group can be changed by adding to it or taking away from it.
Understanding the World (UW)	We will learn more about Harvest in preparation for Harvest Festival. This week the children will bring home a paper plate. Their home challenge is to represent their favourite food on the paper plate. They could draw, paint or cut out a picture of it and then find out where it comes from.
Expressive Arts & Design (EAD)	We continue to focus on the story of the Little Red Hen, although another story, 'Little Rabbit FooFoo' has captured our attention! https://www.youtube.com/watch?v=BX-YwZpfOmA We will re-enact both these stories throughout the week.
