

Do you enjoy creating new opportunities for young girls? Do you enjoy helping them to make lasting memories and teaching them new skills? We are looking for volunteers to help with both Rainbows and Brownies in both Parbold and Newburgh in order to keep our units running. In the past few years we have lost 5 units already and are in danger of losing more if we do not find more adults. We have many girls on waiting lists wanting to join but no spaces to offer them due to lack of units. There are a variety of roles available, from regular helpers, occasional helpers and those who just feel they could help with administration/finances. If you have any skills that you feel you could offer, please email [parboldcommissioners@hotmail.com](mailto:parboldcommissioners@hotmail.com) for more information!
