14th October 2022

Dear Parents/Carers

We hope you're looking forward to creating your Christmas card design over half term. However, if you don't want the mess at home we're here to help!

We are holding a Christmas card workshop after school on Tuesday 18th October. We will have a variety of craft resources and templates to help you make your own Christmas design. Please book your place on Parent Pay.

If you can't make the workshop and still want to make a card and you're unsure what design to do, we are providing craft packs that will be sent home before half term. These packs will help you to create a Christmas design without any fuss.

The packs will cost £3. Please send your completed form with payment into school before Tuesday 18th October to ensure you get your take home pack before half term.

The choices are a Penguin design or a Christmas tree design. Please see the message on your class What's app class page for picture examples.

Many thanks for your continued support

The PTA

I would like to purchase a Christmas card craft pack and I enclose £3.

The design I would like is a PENGUIN/CHRISTMAS TREE (Please circle your choice).
