Dear Parents/Carers

Ofsted Inspection Result – Newburgh All Round Care

We are delighted to share with you our Ofsted inspection report for Early Years and All Round Care that took place in September.

We were thrilled to receive an OUTSTANDING judgement across all areas with no areas of improvement. This judgement is exceptional and deliberately difficult to obtain and reflects the hard work of our Newburgh team as well as the wonderful children we have in our setting.

Most of our children here at Newburgh have experienced our nursery or reception provision and the secure and firm foundations that our setting provides them with ensures that they have the best possible outcomes for all future learning.

Thank you to those parents who took the time to feedback to the Ofsted inspector either verbally or in writing. Your comments mean so much to us.

Thank you for your continued support,

Rebecca Fowler
