

Home School Liaison

Crane

05/12/22

Personal, Social, Emotional Development (PSE)	We continue to rehearse our Christmas performance, helping each other if we begin to feel nervous or over excited. We will send home a line each for the children to learn for our performance on Friday.
Communication & Language (CL)	Every morning, during registration, we greet each other with 'Happy Christmas' in a different language.
Physical Development (PD)	We continue to enjoy using our outdoor spaces using moveable objects e.g. crates, pallets, tyres to create physical challenges for our bodies and minds. When the occasion arises, please support your child to zip their coat up and put gloves on with independence.
Literacy (LD)	We continue to focus on graphemes and digraphs we have learnt so far and introduce 'oo' as in book, cook, and look (making 'u' sound). We will focus on it making oo as in food next week! We will continue use our phonetic knowledge to write our letter to Santa to tell him about our progress since starting in Team Crane.
Mathematical Development (MD)	We will visit a baby gift shop and choose 3 gifts, perhaps more suitable for a baby than gold, frankincense and myrrh! We will have to use our mathematical knowledge to work out how much the gifts cost in total and which coins we will need. You are challenged to find out what frankincense and myrrh are!
Understanding the World (UW)	We will walk to the post office to post our letter to Santa. If not already done so please send in stamp money ASAP .
Expressive Arts & Design (EAD)	We continue to create a variety of Christmas themed crafts.
Other Information	Please can children have a spare pair of socks in school to put on before we go out for Forest School as wellies don't have much insulation. Socks will be kept in trays and will be regularly sent home with PE kits to be washed. Please make sure you have checked website and newsletter for information about events in the coming weeks.

Any questions please see me after school
