

# Home School Liaison

Crane

09/01/23

Personal, Social, Emotional Development (PSE)	We will receive a request of help from Cinderella who not only lost her slipper but is always losing things. She needs us to teach her how to find something which has been lost and how to take better care of her belongings.
Communication & Language (CL)	Over the next few weeks, we will listen to & discuss a variety of classical music based on episodes of 'Melody' from CBeebies which contains lots of classical music. This week's music is Danse Macabre composed by Saint-Saens. <a href="https://www.bbc.co.uk/cbeebies/stories/melody-red-riding-hood">https://www.bbc.co.uk/cbeebies/stories/melody-red-riding-hood</a>
Physical Development (PD)	Last week, we loved being outdoors in a variety of weathers, exploring the effects the weather has on our bodies.
Literacy (LD)	We continue to develop our knowledge of Phase 3 phonics. This week we will introduce the sounds; ar (farm), or (horn), ur (turn), oo (food). We will also talk about words that can be said to make a magic spell.
Mathematical Development (MD)	Time will be our focus, thinking about measuring short periods of time and also reading time on an analogue clock, particularly 12 o'clock thus making links to Cinderella. If your son/daughter has a watch (which seems like a popular Christmas present!) please encourage them to wear it for school this week.
Understanding the World (UW)	We will explore combining substances as we work at our potions table.
Expressive Arts & Design (EAD)	We will start our recycling projects this week. If not already done so, please send in an empty cereal box ASAP.
Other Information	If anyone still has their real Christmas tree, we will gladly take it off your hands!

Any questions please see me after school
