Dear Parents, Carers & Children

This Week At Newburgh:

Aside from enjoying the snow this week lots of learning and enrichment has been going on:

Team Halton had a 'Sparkling Start' to their Great Fire of London topic experiencing role play and workshop activities about London at the time. Thank you to the Year 1 parents who made donations to school in lieu of Secret Santa so the children could enjoy this opportunity. There are more photos on our @NewburghHalton Twitter for you to enjoy.

Our School Librarians went to Parbold Library to gain some work experience and get lots of ideas to encourage reading at school. They were fantastic ambassadors for our school; we are really proud of them.

All children from Reception to Year 6 had the opportunity to try some yoga and mindfulness during our Yoga day to encourage strategies to improve health and wellbeing.

In Early Years the children have been learning all about Chinese New Year with the help of some wonderful resources from the Museum loan box.

Next Week At Newburgh:

We will be introducing the private music tuition available through Lancashire Music Service at a special assembly next week. Children will see a demonstration of different instruments they could learn. Details about signing children up for this service will be made available next week.

Wake Up Wednesday:

Attached to this newsletter is an information sheet to support parents with children's social media and mental health.

Save the Date:

On Sunday 29th January we are starting work clearing the Spiritual Garden area ready for development work to take place. If you are available around 10am feel free to join us.

Warmest Regards

Moment of Mindfulness

When resources are limited and you want to achieve something big, sometimes it helps to work together as a team to achieve your goals. The children were determined to build a snowman with very limited snow available so they joined forces to build the best snowman they possibly could. A fabulous demonstration of what can be achieved when we work together. Well done Team Newburgh!
