

# Home School Liaison

Crane

15/05/23

|   |   |
|---|---|
| Personal, Social, Emotional Development (PSE) & Physical Development (PD) | We look forward to learning some basic first aid skills this week and revisit our knowledge about the human body and its workings.  |
| Communication & Language (CL)   | We are enjoying sharing our special places show and tells. Please check Tapestry to make sure you haven't missed your invitation. It's not too late!  |
| Mathematical Development (MD)   | This week, we will revisit Numberblocks episode 'Fruit Salad' which develops our knowledge of the 'part-part-whole' model (see picture on Tapestry) to partition and combine numbers.                           |
| Literacy development (LD)   | We write every day at school and our daily practice is paying off. Don't forget to exploit opportunities to write at home, shopping lists, letters, post it notes, cards.                                       |
| Expressive Arts & Design (EAD)  | During our PE lessons, we have been learning the steps to a dance to the song "Under The Sea" which will be performed at the end of the Summer Term.<br>Our artist choice this week is Pablo Picasso or Banksy. |
| Understanding of the World  | We will discover more about places of worship as we prepare to visit Christ Church Newburgh next week.  |
